# 18th Annual Solutions Conference

---

Solutions has been held in the financial hub of Atlanta for 18 years, providing two powerful days filled with multiple networking opportunities and valuable education provided by some of the industry's best speakers. The Fraud Forum and Payment Channel Workshop, provide current, impactful information for financial professionals across the payment channels. This year we have added additional value, highlighting our Sponsors and Exhibitors. We appreciate the dedication, time and commitment you provide, as through your partnership, together, Solutions 2018 will be a great success. We look forward to working with you and thank you for your partnership.
